## EXPERT PRAISE FOR WAY TO PARIS

Richard Venn:

*"Way To Paris had been on my radar for some time. As you can imagine, we had to fight off determined interest from several French Studs, so to start off his stud career in Ireland is a real coup for Irish Breeders.*

*As his race record has shown he is a sound, consistent and talented individual at the highest level. In addition he is an exceptional looker and he has an excellent pedigree; he could be very interesting for flat mares as well.*

*His introductory stud fee really reflects what is currently going on in the world and the ramifications it is having on our industry."*

*I've seen Way To Paris many times at Chantilly. He is a fantastic mover and a gorgeous specimen of a horse.*

*I think he will be a huge addition to the Irish stallion ranks.*

Harold Kirk

*"Way To Paris was an admirable Group 1 winner, with good looks, clean wind and the soundness to compete at the top level for a number of seasons. As a son of Champs Elysees he is sure to prove very popular."*

Gerry Hogan

Tom Malone:

*Delighted to see Coolagown Stud get their hands on an exciting new stallion prospect in Way To Paris. A proven Group 1 performer over 12 furlongs with size and substance is just what we look for in a potential jumps sire.*

Aidan "Mouse" O'Ryan:

*I was impressed with his high class performances when he won a Group 1, Group 2 and was 2nd by a fast finishing head in the Group 1 Prix Ganay to subsequent Arc winner Sottsass, all in 4 weeks. Its this kind of class and soundness I look out for when buying at the sales.*
